Understanding SAT Subject Tests and the College Board

What Are SAT Subject Tests?

- Usually administered on the same dates as the SAT, but offered separately.
- Consisted of multiple-choice questions, with some tests including short-answer or essay components.

The Role of the College Board

The College Board is a non-profit organization responsible for developing and administering standardized tests for college admissions, including:

- The SAT (Scholastic Assessment Test)

- SAT Subject Tests (discontinued in 2021)

- PSAT/NMSQT

Historically, the College Board provided a standardized framework for assessing student readiness and academic achievement across the United States and internationally.
